SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of The Greater North Central Francophone Education Region No. 2:

Opinion

We have audited the accompanying financial statements of The Greater North Central Francophone Education Region No. 2, which comprise the statement of financial position as at August 31, 2019, and the statements of operations, cash flows, and change in net financial assets, and the supporting schedules for the year then ended, along with a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Greater North Central Francophone Education Region No. 2 as at August 31, 2019, and its financial performance and its cash flows for the year ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of The Greater North Central Francophone Education Region No. 2 in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Schedule Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing The Greater North Central Francophone Education Region No. 2's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate The Greater North Central Francophone Education Region No. 2 or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing The Greater North Central Francophone Education Region No. 2's financial reporting process.

Auditor's Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the Schedule as a whole is free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of The Greater North Central Francophone Education Region No. 2's internal control.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on The Greater North Central Francophone Education Region No. 2's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause The Greater North Central Francophone Education Region No. 2 to cease to continue as a going concern.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate to those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. AUTHORITY AND PURPOSE

The Greater North Central Francophone Education Region No. 2 (the "school jurisdiction") delivers education programs under the authority of the School Act, Revised Statutes of Alberta 2000, Chapter S-3.

The school jurisdiction receives funding for instruction and support under the Education Grants Regulation (AR 120/2008). The regulation allows for the setting of conditions and use of grant monies. The school jurisdiction is limited on certain funding allocations and administration expenses.

The school jurisdiction is registered as a charitable organization under the Income Tax Act (Canada) and, therefore, is exempt from income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the school jurisdiction have been prepared by management in accordance with Canadian Public Sector Accounting Standards ("PSAS") without not-for-profit provisions, Section PS 4200 of the Chartered Professional Accountants of Canada ("CPA Canada") Public Sector ("PS") Accounting Handbook. The significant accounting policies are summarized below:

Valuation of Financial Assets and Liabilities

The organization's financial assets and liabilities are generally measured as follows:

Financial Statement Component

Measurement

Cash and cash equivalents

Cost

Accounts receivable

Lower of cost or net recoverable value

Accounts payable and accrued liabilities

Cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations

Financial assets are the school jurisdiction's financial claims on external organizations and individuals.

Cash and Cash Equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investments purposes.

Accounts Receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

Liabilities

Liabilities are present obligations of the school jurisdiction to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Accounts payable and accrued liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

Deferred revenues

Deferred revenue includes contributions received for operations which have stipulations that meet the definition of a liability per PSAS PS 3200. These contributions are recognized by the school jurisdiction once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred revenue also includes contributions for capital expenditures, unexpended and expended. Unexpended Deferred Capital Revenue (UDCR) represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the school jurisdiction, but the related expenditure has not been made at year end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when expended.

Expended Deferred Capital Revenue (EDCR) represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions require that the school jurisdiction to use the asset in a prescribed manner over the life of the associated asset.

Employee Future Benefits

The school jurisdiction provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements. This obligation is unfunded and requires no contribution from employees. Expenses for this obligation are recorded using the projected benefit method prorated on services.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued...)

Liability for contaminated sites

Contaminated sites are a result of contamination of a chemical, organic or radioactive material or live organism that exceeds an environmental standard, being introduced into soil, water or sediment. The liability is recognized not of any expected recoveries. A liability for remediation of contaminated sites normally results from an operation(s) that is no longer in productive use and is recognized when all of the following criteria are met:

- i. an environmental standard exists;
- ii. contamination exceeds the environmental standard;
- iii. the school jurisdiction is directly responsible for
- iv. it is expected that future economic benefits will be given up; and
- v. a reasonable estimate of the amount can be made

Asset Retirement Obligations

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs are capitalized into the carrying amount of the related asset. In subsequent periods, the liability is adjusted for the accretion of discount and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and the discount accretion is included on the Statement of Operations.

Non-financial assets

Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- (a) are normally employed to deliver government services;
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

Tangible Capital Assets

The following criteria applies:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as a transfer to the applicable asset class at substantial completion.
- Buildings include site and leasehold improvements and, if applicable, assets under capital leases.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the school jurisdiction to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Revenue (EDCR).
- · Buildings that are demolished or destroyed are written-off.
- Tangible capital assets in excess of \$5,000 are capitalized.
- Leases that, from the point of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the school jurisdiction are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the school jurisdiction's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis at the following rates:

| Buildings | 2.5% - 4% |
|-------------------|-----------|
| Equipment | 10% - 20% |
| Vehicles | 20% |
| Computer Hardware | 10% - 20% |

Prepaid expenses

Prepaid expenses is recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

Operating and Capital Reserves

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued...)

Revenue Recognition

Revenues are recorded on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Contributed services are not recognized in the financial statements.

Eligible criteria are criteria that the jurisdiction has to meet in order to receive certain contributions. Stipulations describe what the school jurisdiction must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Contributions with stipulations are recognized as revenue in the period where the stipulations are met, except when and to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with Section PS 3200. Such liabilities are recorded as deferred revenue.

Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of costs:

- · Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- · Supplies and services are allocated based on actual program identification,

Program Reporting

The school jurisdiction's operations have been segmented as follows:

- ECS Instruction: The provision of Early Childhood Services education instructional services that fall under the basic public education mandate.
- Grade 1-12 Instruction: The provision of instructional services for grades 1 12 that fall under the basic public education mandate.
- Plant Operations and Maintenance: The operation and maintenance of all school buildings and maintenance shop facilities.
- Transportation: The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facilities.
- Board & System Administration: The provision of board governance and system-based/central office administration.
- External Services: All projects, activities, and services offered outside the public education mandate for ECS children and students in grades 1-12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs. The Regional Collaborative Service Delivery is recorded in external services.

The allocation of revenues and expenses are reported by program, source, object, and type on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants, as well as proportionate share of supplies & services, school administration & instruction support, and System Instructional Support.

Trust Under Administration

The school jurisdiction has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The school jurisdiction holds title to the property for the benefit of the beneficiary. Trusts under administration have been excluded from the financial reporting of the Division. A summary of trust balances is listed in Note 15.

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The school jurisdiction recognizes a financial instrument when it becomes a party to a financial instrument contract.

Transaction costs related to financial assets recorded at cost or the lower of cost and net recoverable value and financial liabilities recorded at cost are included or deducted in the initial measurement of the asset or liability.

Measurement Uncertainty

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits.

Change in Accounting Policy

The division has prospectively adopted the following standards from September 1, 2018: PS 3430 Restructuring transactions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued...)

Future Accounting Changes

The Public Sector Accounting Board has issued the following accounting standards:

• PS 3280 Asset Retirement Obligations (effective September 1, 2021)

Effective April 1, 2021, this standard provides guidance on how to account for and report liabilities for retirement of tangible capital assets.

• PS 3400 Revenue (effective September 1, 2022)

This standard provides guidance on how to account for and report on revenue, and specifically, it addresses revenue arising from exchange transactions and unilateral transactions.

Management is currently assessing the impact of these standards on the financial statements.

3. RESTRICTED CASH AND CASH EQUIVALENTS

| Office | \$ 4,729,965 | \$ | - \$ 4,729,965 | \$ 2,964,340 |

5. BANK INDEBTEDNESS

The school jurisdiction has negotiated a line of credit in the amount of \$500,000 bearing interest at the Royal Bank of Canada prime rate. This line of credit is secured by a borrowing bylaw and a security agreement that covers all revenues of the school jurisdiction. There was no balance outstanding on the line of credit at August 31, 2019 (2018 - nil) and the interest paid on the line of credit was nil (2018 - nil). In addition, the school jurisdiction has negotiated a letter of credit in the amount of \$200,000 also bearing interest at the Royal Bank of Canada prime rate. This letter of credit is secured by a borrowing bylaw and a security agreement that covers all revenues of the school jurisdiction. There was no balance outstanding on the letter of credit as at August 31, 2019 (2018 - nil) and the interest paid on the letter of credit was nil (2018 - nil).

As at August 31, 2019, the Royal Bank of Canada prime rate was 3.95%.

6. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

| | 2019 | 2018 |
|---|--------------------|-----------|
| Other trades payable and accrued liabilities | \$ 2,936,271 \$ | 1,658,757 |
| Federal government | 829,846 | 439,387 |

| Expended deferred capital revenue (Schedule 2) | 51,687,239 | 10,302,709 | (1,905,132) | 60,084,816 |
| Total | \$ 54,324,256 | \$ 23,710,682 \$ | (13,776,039) | \$ 64,258,899 |

8. BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the School Division does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the jurisdiction is included in both revenues and expenses. For the school year ended August 31, 2019 the amount contributed by the Government was \$2,601,850 (2018 - \$2,676,956)

The school board participates in a multi-employer pension plan, the Local Authorities Pension Plan. The school jurisdiction is not responsible for future funding of the plan deficit other than through contribution increases. The expense for this pension plan is equivalent to the annual contributions of \$576,328 for the year ended August 31, 2019 (2018 - \$602,077). At December 31, 2018, the Local Authorities Pension Plan reported a surplus of \$3,469,347,000 (2017, a surplus of \$4,835,515,000).

The school division does not have sufficient plan information on the LAPP to follow the standards for defined benefit accounting, and therefore follows the standards for defined contribution accounting. Accordingly, pension expense recognized for the LAPP is comprised of employer contributions to the plan that are required for its employees during the year, which are calculated based on actuarially pre-determined amounts that are expected to provide the plan's future benefit.

Employee future benefit liabilities consist of the following:

| | 2019 | 2018 |
|-----------------------|-------------------|------------|
| Retirement allowances | <u>\$</u> 179,700 | \$ 149,000 |
| 9. PREPAID EXPENSES | | |
| | 2019 | 2018 |
| Other | \$ 298,914 | \$ 317,809 |
| Rent | 136,713 | 34,004 |
| Insurance | 79,157 | 74,149 |
| Licenses | 65,927 | 2,159 |
| | \$ 580,711 | \$ 428,121 |

10. ACCUMULATED SURPLUS

Detailed information related to accumulated surplus is available on the Schedule of Changes in Accumulated Surplus. Accumulated surplus may be summarized as follows:

| | | 2019 | 2018 | |
|---------------------------------------|----|------------|------|------------|
| Unrestricted surplus | \$ | 2,586,473 | \$ | 2,257,953 |
| Operating Reserves | | 120,000 | | 336,008 |
| Accumulated surplus from operations | | 2,706,473 | | 2,593,961 |
| Investment in tangible capital assets | | 7,245,858 | | 7,418,188 |
| Capital reserves | | 819,000 | | 819,000 |
| | \$ | 10,771,331 | \$ | 10,831,149 |

Included in Accumulated surplus from operations are school generated funds which are not available to spend at the board level. The school jurisdiction's adjusted surplus (deficit) from operations is calculated as follows:

| Accumulated surplus from operations | \$ 2,706,473 | \$ 2,593,961 |
|--|-----------------|-----------------|
| Deduct: School generated funds included in accumulated surplus (Note 14) | 266,058 | 300,050 |
| Adjusted accumulated surplus from operations | \$ 2,440,415 | \$ 2,293,911 |

11, CONTRACTUAL RIGHTS

Contractual rights are rights of the school jurisdiction to economic resources arising from contracts or agreements that will result in both assets and revenues in the future when the terms of those contracts or agreements are met.

| | 2019 | | 2018 |
|--|------|------|--------|
| Contractual rights from operating leases | \$ | - \$ | 32,804 |

Estimated amounts that will be received or receivable for each of the next five years and thereafter are as follows:

| | Operating leases |
|------------|------------------|
| | |
| 2019-2020 | - |
| 2020-2021 | • |
| 2021-2022 | • |
| 2022-2023 | ₩ |
| 2023-2024 | • |
| Thereafter | |
| Total | \$ - |

12. CONTRACTUAL OBLIGATIONS

| | 2019 | | 2018 |
|-------------------|------------------|----|------------|
| Building projects | \$ 9,181,455 | \$ | 16,851,125 |
| Building leases | 3,289,090 | | 2,039,695 |
| Service providers | 65,679 | | 131,357 |
| Total | \$ 12,536,224 | \$ | 19,022,177 |

Estimated payment requirements for each of the next five years and thereafter are as follows:

| Build | ing Projects | Building Leases | Service Providers |
|-------|--------------|---------------------|-------------------|
| \$ | 9,181,455 | \$ 1,107,546 | \$ 65,679 |
| | - | 1,115,177 | • |
| | | 926,367 | • |
| | - | 140,000 | - |
| | - | - | - |
| | | | 4 |
| \$ | 9,181,455 | \$ 3,289,090 | \$ 65,679 |

13. CONTINGENT LIABILITIES

The jurisdiction is a member of Alberta School Boards Insurance Exchange (ASBIE). Under the terms of its membership, the jurisdiction could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. The jurisdiction's share of the pool as at December 31, 2018 is \$144,128 (2017 - \$140,953).

14. SCHOOL GENERATED FUNDS

| CONTRACTED FORDS | | | | |
|--|----|-----------|---------------|--|
| | | 2019 | 2018 | |
| School Generated Funds, Beginning of Year | \$ | 343,734 | \$ 439,868 | |
| Gross Receipts: | | | | |
| Fees | | 514,909 | 648,636 | |
| Fundraising | | 313,053 | 386,239 | |
| Gifts and donations | | 189,547 | 167,368 | |
| Other sales and services | | 135,033 | 143,449 | |
| Total gross receipts | | 1,152,542 | 1,345,692 | |
| Total Related Expenses and Uses of Funds | | 921,499 | 1,098,982 | |
| Total Direct Costs Including Cost of Goods Sold to Raise Funds | | 298,719 | 342,844 | |
| School Generated Funds, End of Year | \$ | 276,058 | \$ 343,734 | |
| Balance included in Deferred Revenue | \$ | 10,000 | \$ 43,684 | |
| Balance included in Accumulated Surplus (Operating Reserves) | \$ | 266,058 | 300,050 | |

15. TRUST UNDER ADMINISTRATION

These balances represent assets that are held in trust by the school jurisdiction, and therefore are not recorded in the financial statements.

| | 2019 | 2018 |
|--|--------------|--------------|
| Regional Collaborative Service Delivery (Banker Board) | \$ 18,069 | \$ 22,086 |

16. RELATED PARTY TRANSACTIONS

Related parties are those entities consolidated or accounted for on the modified equity basis in the Government of Alberta Consolidated Financial Statements. Related parties also include key management personnel in the school jurisdiction and their close family members.

All entities that are consolidated into the accounts of the Government of Alberta are related parties of the school jurisdictions. These include government departments, health authorities, post-secondary institutions, and other school jurisdictions in Alberta.

| | BALA | TRANSA | CTIONS | |
|---|--|------------------------------------|---------------|--------------|
| | Financial Assets (at cost or net realizable value) | Liabilities (at amortized cost) | Revenues | Expenses |
| Government of Alberta | | | | |
| Alberta Education | | | | |
| Accounts receivable / Accounts payable | \$ 148,465 | \$ - | | |
| Prepaid expenses / Deferred operating revenue | - | 2,799,384 | | |

The division and its employees paid or collected certain taxes and amounts set by regulation or local policy. These amounts were incurred in the normal course of business, reflect charges applicable to all users and have been excluded from this schedule.

17. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The school jurisdiction's primary source of income is from the Alberta Government. The jurisdiction's ability to continue viable operations is dependent on this funding.

18. BUDGET AMOUNTS

The budget was prepared by the school jurisdiction and approved by the Board of Trustees on May 23, 2018. It is presented for information purposes only and has not been audited.
